

Department of West Virginia

**Veterans of Foreign Wars of the
United States**

**David Moske II
State Commander**

**Res, Non Verba
(Deeds, Not Words)**

Membership Program

2020-2021

West Virginia Goals

1. Increase Membership and Membership participation.
2. Increase Member visibility in the community
 - Conduct at least one VFW sponsored activity each month at the post level and quarterly at the District level. At least half of the activities should be open to all veterans and the public. Include the Auxiliary if you have one.
3. ***Mentor new members.*** When you recruit a new member make sure someone takes the time to teach them the ways of the VFW and the reason we do things; try to remember when everything was new to you. Post Commanders consider appointing new members to assist all officers. This will help prepare our future leaders.
4. Get involved with another community organization IE, a Scout Troop, Sporting League, Senior Center, Boys and Girls of America ... This will help build relationships within the community.
5. Encourage all members to become Life members. Encourage all Life members to become Legacy Life members.

Measurable Achievement Goals

- Increase post membership by 1.01 %.
- Increase Life membership by 1.01 %.
- Increase Legacy Life membership by 1.01 %.
- ***Increase Post / District meeting attendance.***

A Message from the Commander

If you are viewing this manual you are either in a position of responsibility or are committed to making our organization better; because you have picked up that gauntlet, I look to you to be the example and to let your actions speak louder than your words.

Res, Non Verba.

While in high school I had the opportunity to attend the Army JROTC program. One of the very first lessons that I had was to understand the meaning of our battalion motto. Res, Non Verba, this is Latin for Deeds, Not Words. This motto is something that has been ingrained in my mind since I was 16 years old and something that I strive to live up to every day.

While there is recognition in our organization for exceptional leadership and post involvement, don't let a hat or plaque be the only reason for making a difference this year. Instead focus on making our organization and your community a little better every day. This year I challenge all of you to live by the motto Res, Non Verba. As it is only through our deeds that we as individuals and an organization can grow. Find something that is important to you whether it is working with VFW programs, helping with the department youth camp or finding something in your own communities, make it special this year and run with it.

As a leader and member of our great organization make yourself available to talk to Veterans. Keep Veterans informed by staying up to date with important issues in your community, state, and things that will affect our Veteran Brothers and Sisters nationally. Be active on social media letting your friends know when meetings are and when Veteran/Family focused events are taking place.

In addition to membership, Leaders must pay attention to detail. Do not forget to promote our programs as they are the key to community involvement. Most importantly, **Mentor** our new members for they are the future of our organization.

HAVE A GREAT YEAR AND I LOOK FORWARD TO WHAT WE CAN DO
TOGETHER
