

COMMUNITY SERVICE LOG/SCRAPBOOK PREPARATION

The 2022-2023 theme for our Community Service Logs and Scrapbook is “Doin’ Better in the Neighborhood.” Let’s make this a banner year for VFW West Virginia. Here are some suggestions for compiling your scrapbook.

1. Place Post activities log in front (all community service events performed by members and Auxiliary) of any pictures, newspaper articles, etc. supporting the event.
2. Next, use monthly dividers with sheet protectors that contain pictures, newspaper articles, etc., showing events the Post and Auxiliary has performed during that month.
3. Include a brief description of the event to go along with the monthly pictures.

By putting your scrapbook together in this manner, you have created a “story” about your community service. Thanks for all you do!
