Monthly Bible Verse – Psalm 62:5-6 Yes, my soul, find rest in God; my hope comes from him. Truly he is my rock and my salvation; he is my fortress, I will not be shaken.

Monthly Prayer: Dear Lord and Heavenly Father, during this next month we ask for Your blessings and that we may continue to honor our Veterans who gave their best when they were called upon to serve and protect our country. We pray that you will bless them for their unselfish service in the continual struggle to preserve our freedoms, our safety, and our country's heritage, and for all of those who are still serving today in our organization. In Your great and holy name we ask of these things. -Amen

All WV schools are open, let's get the Voice of Democracy and Patriot's Pen forms to the schools, don't forget the Home-Schooled youth. Also, the Citizenship Education Teacher Entries.
Your due date to your Post is 31 October 2024.

It's also a good time to be looking at the Public Servant Entries (one each LAW/FF/EMT)

Reminder, \$100 donation to the WV House at the National Home.

The greatest part of being State Commander, is traveling the state and getting to meet the post members.

This publication provides general information and is not meant to be a substitute for tax laws or regulations.

Beginning January 1, 2024, taxpayers are eligible to claim a Disabled Veteran Real Property Tax Credit. The first opportunity to claim this credit will be on a 2024 WV income tax return, filed in 2025, for all timely paid property taxes made on qualifying real property in the 2024 calendar year. The same rules will apply for all following years.

Who Qualifies?
Disabled Veteran Homeowners

What Qualifies?
Residential Homesteads

To ensure that you qualify for the Disabled Veteran Real Property Tax Credit, you will have to pay your real property taxes **timely**. That means the first half of the assessment must be paid before October 1 and the second half before April 1. Location and contact information on your County Assessor can be found at tax.wv.gov.

Only eligible veterans who are **owners** of a homestead which is used or occupied exclusively for residential purposes may claim the Disabled Veteran Real Property Tax Credit. The credit is only available for the actual tax paid. Taxpayers will be required to file a West Virginia Personal Income Tax Return in order to claim this credit. Along with the return, taxpayers will need to submit a copy of their receipt(s) for the property tax amount paid along with a copy of their Disability Rating letter from the Department of Veterans Affairs.

Taxpayers claiming the Disabled Veteran Real Property Tax Credit (DVRPTC) are **not** eligible to take the Senior Citizen Tax Credit (SCTC) or Homestead Excess Property Tax Credit (HEPTC). While taxpayers are permitted to take the SCTC and HEPTC together after the SCTC has been factored out of your HEPTC amount, the DVRPTC takes precedence over both those credits and must be taken alone.

Disabled Veteran Homeowners	Honorably discharged veterans from <i>any</i> branch of the U.S Armed Services who are considered 90-100% disabled by the Department of Veterans Affairs. For more information on your benefits status or discharge records, visit www.va.gov .
Residential Homesteads	A single family residential house, including a mobile or manufactured or modular home, and the land surrounding such structure; or a mobile or manufactured or modular home regardless of whether the land upon which such mobile or manufactured or modular home is situated is owned or leased. To be a residential homestead, the property must also have been used or occupied by the owner for at least 6 months

With the passage of HB 125 in the 1st Special Session, taxpayers will not be penalized if they pay the second half of their ticket in 2023 because it is still considered due in 2024 and therefore timely paid.

For more information, you can:

Memorandum

To: VFW Department Commanders, Senior Vice Commanders, Junior Vice Commanders, Adjutants, Quartermasters, and Service Officers

From: Mike Figlioli, Director, NVS

Date: 8/12/2024

Subject: Post Service Officer Duty Changes

With the advent of modern technologies such as virtual appointments and videoconferencing, our accredited representatives can provide professional representation regardless of location, eliminating the necessity for Post Service Officers (PSOs) to provide advice on Federal benefits at the Post level. Consequently, as a result of the changes adopted by the Council of Administration during the 2024 VFW National Convention, the following changes to Section 218 (12), VFW Manual of Procedure are effective immediately:

The Post Service Officer shall advise members of the Post, their family members and survivors of **benefits and services that are available in the local community** such as homeless services, employment opportunities, and companies that offer discounted goods or services to veterans.

**(The PSO will advise/assist with benefits that are available in their community. They are not accredited and therefore not authorized to provide advice, prepare, or submit claims for VA or other Federal benefits.)*

The Post Service Officer shall direct individuals seeking Federal benefits assistance to the Department Service Officer.

**(Advice and/or assistance with VA or other Federal benefits are the responsibility of the DSO and their accredited staff. PSOs will refer these requests for assistance directly to the DSO to ensure veterans receive the advice and service they deserve from our accredited representatives who are aware of current laws and trends.)*

The work of a Post Service Officer shall be performed in accordance with the instructions contained in the **VFW Guide for Post Service Officers** under the general supervision of the Post Commander. The Post Service Officer shall perform other duties as may be incident to the office and as may from time to time be required by the laws and usages of this organization or lawful orders from proper authority.

**(No significant change to this section, although changes will be made to the VFW Guide for Post Service Officers to reflect the new duties of the PSO. A revised PSO guide is currently being developed and will be distributed promptly upon completion.)*

The intention is not to increase the workload for DSOs and their staff, nor do we expect such an increase, but to ensure that veterans receive timely and accurate guidance regarding the VA and Federal benefits they have rightfully earned through their service to our Nation. We anticipate a reduction in improperly prepared forms and decreased confusion among veterans if they have received advice from a PSO who is not fully informed of or in touch with the latest VA regulations. This may also eliminate the need for DSOs to train PSOs, thereby allowing more time to focus on assisting veterans with their claims.

These changes are designed to uphold our motto: "No One Does More for Veterans." By creating a local network of support, we will ensure that veterans receive essential guidance and life advice from local experts, and that VA benefits advice and assistance are provided by our highly trained, professional, and accredited benefits advocates.

Please address any questions related to these changes to Chris Macinkowicz, Deputy Director, NVS (cmacinkowicz@vfw.org).

Respectfully,
