### **Financial Reporting**

The Uniform System of Post Records and Accounts is a system that has been in use for many years by many VFW Posts with exceptional results. This system is the preferred method of record keeping; however, as technology continues to develop, many VFW Post are transitioning electronic-based methods utilizing differing types of accounting software.

Quartermasters utilizing these methods must ensure that the basic principles of the Uniform System of Post Records and Accounts are not lost and that all electronic records are routinely backed-up.

## **Uniform System Ledger of Post Records & Accounts**

The Receipts, Expenditure and Distribution Ledger (Item #4204); better known as the Post Ledger or Quartermaster's Ledger, is the most important financial record of the Post. It provides a means of maintaining uniform records of the financial transactions of the Post. When properly used, it is simple to maintain. It provides an easily understood record of the Post's financial condition and enables quick and accurate audits of the Post funds. The balance shown in the ledger at the end of the month must be in agreement with the bank statement(s), checkbook(s) and with the receipt book and vouchers/orders.

The ledger contains various rows and columns for specific entry; each row represents a specific transaction and explains the when, who, why, how of each receipt and disbursement. It further explains, in detail, how each is distributed throughout the Post's funds.

The first four column headings of our ledger are:

**DATE**: Represents the day and month the transaction was entered.

**FROM OR TO**: Represents the individual, group, or corporation to which the transaction is associated with.

**REASON**: Represents the transactions purpose such as donation, mortgage, or member dues.

**RECEIPT OR CHECK NO.**: Represents how the transaction was sent or received. This may be a check number, transaction number, receipt number.

The next column heading of the ledger is **CASH AND BANK** and has a subheading of **RECEIVED** and **EXPENDED**. **CASH AND BANK** represents the amount of the transaction. Thus the total amount received is entered in the **RECEIVED** portion of the **CASH AND BANK** column and the total amount expended is entered in the **EXPENDED** portion of the **CASH AND BANK** column.

2.

The next column headings of our ledger contain NATIONAL AND DEPARTMENT DUES, APPLICATION FEES, and POST GENERAL FUND, and POST DUES RESERVE FUND\* (additional blank columns exist to allow for extra funds as required). These columns represent how transactions listed in the CASH AND BANK column are distributed between Post funds. Each heading is again separated into two columns titled RECEIVED and EXPENDED and are recorded as appropriate.

Each column is totaled at the bottom of the page, showing the amounts of all receipts and expenditures and the funds balance (net). This allows for the Quartermaster, at a regular Post meeting, to give a no frills financial report.

\*Note: The Post Dues Reserve Fund is no longer required; however, as many Posts still utilize this fund it has been retained on the ledger form.

The illustration of the ledger (example 1) will give you a general knowledge in making entries. The entries on the illustrated ledger are the most common ones used by the majority of Posts. Larger Posts or those with club facilities may have many more entries. The ledger should be balanced at the end of each page and at the end of the month. This will assist the Post Trustees in auditing the books.

- 1. Top line shows amount of cash in the bank brought over from the previous month and the breakdown of the money into different funds. Entries in the left columns (date) is self-explanatory. The next two columns require that the Quartermaster show from whom the money was received or to whom money was paid and the reason it was received or paid.
- 2. Dues receipts often cause problems for a new Quartermaster. The full amount for National and Department dues is entered under this heading. The National Bylaws state that not less than one-half of the Post's part of the dues will be placed in the Dues Reserve Fund, and that no expenditures will be paid from this fund. The Dues Reserve Fund will be transferred to the General Fund on July 1.
- 3. The Ledger sheet is closed out at the end of each month. This is done by adding each column and entering the figure at the end of each column. Subtracting expenditures in each fund from the received column will provide the net in each fund. The total of the net figures in each fund should be the same figure as shown in the **CASH AND BANK** column.
- 4. If the figure shown under **CASH AND BANK** is the same as shown in your checkbook stub and the bank statement, your books are in order.

It is important that the Post Quartermaster's records are neat and in order at all times, and that all bills and receipts are filed by month. It is also advisable if the Post uses a large checkbook, that the returned cashed checks be attached in the checkbook to the corresponding check stub.

# Monthly Financial Statement Quartermaster's Detail of Receipts & Disbursements

(Example 3)

The Detail of Receipts and Disbursements (Item #4208) is not intended to replace the Receipts, Expenditure and Distribution Ledger. It is a form designed to assist Post Quartermasters in the listing of Receipts and Disbursements between and during Post meetings for the purpose of providing Post Trustees and the Post Adjutant with a continuous record of the financial operation of the Post.

All receipts and disbursements must be itemized in detail. Once completed the original (and copies) must be turned over to the Post Trustees for examination and audit. The Post Trustees:

- Must ascertain if all receipts and disbursements have been properly listed and that properly approved vouchers/orders are in evidence to cover and authorize all disbursements.
- 2. Ensure all checks are properly signed (countersigned by the Post Commander if required by the Post Bylaws.)
- 3. Must satisfy themselves that the receipts of the previous meeting have been properly deposited in the bank by examining the bank receipted deposit slip.
- 4. Upon examination and audit of the statement, if found to be correct, they should so certify by placing their signatures thereon.

Distribution of this form is as follows: The triplicate or yellow copy should be given to the Post Adjutant so the information appearing thereon may be included in the minutes of the meeting. The original or white copy should be returned to the Post Quartermaster in exchange for the duplicate or blue copy. The duplicate or blue copy should be retained by the Trustees to verify and assist them in their quarterly audit of the Quartermaster's books.

Section 218 of the Manual of Procedure mandates Post Trustees to make quarterly audits of certain records and to submit proper reports thereof. Any negligence on their part in complying will make them (Trustees) individually and collectively liable for any loss the Post may suffer. Although the Trustees may not actually misuse Post funds, they do become, in case of loss, accessory to the act by reason of not performing their duties as prescribed by law and in accordance with their obligation. Keep in mind that bonding company liability is contingent with the compliance of VFW Bylaws by Post officers.

More efficient, capable and loyal Post Trustees will reduce the number of claims to the bonding company.

An honest, accountable officer never has to be forced to render a report and always welcomes an inspection of his records.

## Example 3

#### **Authority to Disburse**

A Quartermaster may NOT disburse the funds of the Post without receiving proper authority from that Post by action on the floor at a regular or special meeting and the approval of the Post Commander. The Uniform System of Records and Accounts provides for a voucher which must be used. This simply means an approved paper voucher/order must be made for presentation to the Post for consideration of payment. Bills are presented to the Post for action before they are paid, except where circumstances do not permit a prior presentation. The bills must be clearly explained and in detail so every Post member will know the situation when called upon to vote. When the Post votes approval, the Post Adjutant prepares the voucher/order, has it properly signed by the person so designated and presents it to the Post Quartermaster for payment. Unless this is done, the Quartermaster is without authority to pay. When approved by the Post and properly signed by the Post Commander, it is the authority for the Post Quartermaster to disburse funds in the amount designated on that voucher/order.

The returned check properly endorsed is proof the money has been paid. In this manner, the Quartermaster has authority to pay and also proof that payment has been made. Vouchers/Orders must be carefully and permanently filed, and cashed checks accounted for properly, audited and filed for future reference, with correct notations in your books. This is what is known as a clear record and, as a good Quartermaster, you should never operate any other way.

#### Vouchers/Orders

The initial voucher/order must be self-explanatory and show clearly to whom the money is to be paid, how much is to be paid and for what, set forth in detail. It must also carry the correct signatures as required by the Bylaws and the Post. If the payment is reimbursement for expenditures already made, the voucher/order must be supported by the receipted bills made in detail. If it is for a bill being presented for payment, the itemized bill must accompany the voucher/order and remain a part of that voucher/order in the permanent file.

Always keep this in mind. You can never have too much proof for the proper receipt and disbursement of funds, because doubt can attach to any person, despite a record of probity and honesty. A Quartermaster may, with or without cause, be called upon at any time to account for stewardship. Never honor a voucher marked "miscellaneous expense." If such expense cannot be detailed and itemized for Post approval, you are not required to make that disbursement.

The VFW Draft Book (Item #4211) is a great way to control the voucher and payment order process.

# Post Trustees' Report of Audit

The preparation and completion of the Post Trustees' Report of Audit (Item #4214) at the end of each quarter is the duty and responsibility of the Post Trustees. In those instances, where, upon recommendation of the Post Trustees and authorization by the Post, qualified accountants are engaged to perform the quarterly audit, it continues to be the duty and responsibility of the Post Trustees to submit the Post Trustees' Report of Audit as set forth in the Bylaws. As Quartermaster you must insist on its completion.

#### **Trustees' Report of Audit Form**

It is the responsibility of the Trustees in ensure the Trustees' Report of Audit form is properly completed. The top of the form identifies the Post, its location and the quarter being audited. Below is an explanation of each block:

- #1-8 **FUNDS:** Listed are those funds most likely to be carried by a VFW Post, District or County Council. Any special funds may be added in the blank spaces. A "fund" is an account which normally has both income and expenditures. In most cases, just about all of your miscellaneous expenditures (community service, youth activities, expenses, etc.) are chargeable to your general fund and most miscellaneous income (proceeds from fundraising activities, dues, etc.) are credited to your general fund.
- #9 **NET CASH BALANCES AT BEGINNING OF QUARTER:** The figures in this column are obtained from different funds as listed in your ledger. The individual items in this column as well as the total at the bottom of the column should be the same as the ending balances of the previous quarter.
- #10 **RECEIPTS DURING QUARTER:** The figures in this column are obtained by adding the amount shown in your ledger for the three months. This should include items transferred into a fund from another fund during the quarter.
- #11 **EXPENDITURES DURING QUARTER:** The figures in this column are obtained by adding the expenditures for each month. Include items transferred out of another fund during the quarter.
- #12 **NET CASH BALANCE AT END OF QUARTER:** The figures in this column are obtained by adding items 9 & 10 and subtracting items 11.
- #13 **TOTALS:** The figures in this line are obtained by adding the totals of items 9 & 10 and subtracting item 11 you should arrive at the same by adding item 14.
- #14 **TOTALS:** Total should equal item 9 plus item 10 minus item 11.
- #15 **OPERATIONS:** Answer questions as applicable.
- #16 RECONCILIATION OF CASH & INVESTMENTS

**Ending Balance Per Bank Statement**Enter ending balance shown on bank statement.

**Less: Outstanding Checks**Total checks written on or before the date

of the bank statement that are not on the

bank statement.

**Plus: Deposits in Transit**Total deposits made on or before the date
