Dear Community Partner,

On behalf of the Veterans of Foreign Wars (VFW) Department of West Virginia, we invite you to become a proud sponsor of our state organization. Your support is vital to honoring and assisting our veterans, and to connecting your business with an engaged audience across our great state.

We offer a wide range of sponsorship opportunities to suit businesses of all sizes, from the smallest local shop to the largest corporation. Whether you are interested in sponsoring an event session, supporting a veteran recognition activity, or advertising your business in our Convention Book, there is a place for you. Each sponsorship level offers unique benefits and visibility, helping you demonstrate your commitment to veterans and the community.

The VFW Convention Book is a cherished keepsake for our members and supporters, distributed to hundreds of attendees and organizations throughout West Virginia. Your advertisement or message of support will be seen by veterans, their families, and community leaders, ensuring your business receives valuable recognition and goodwill.

Please review the enclosed sponsorship packet for details on all opportunities; or contact us directly to discuss a custom sponsorship package tailored to your organization's needs. No business is too small or too large to make a difference in our veterans' lives. Together, we can continue to honor and support those who have served our nation.

We thank you for considering this meaningful partnership, and we look forward to collaborating with you to serve our veteran community throughout the state of West Virginia.

With gratitude,

A handwritten signature in black ink, appearing to read "DM II".

# ABOUT THE

**Our Mission:** To foster camaraderie among United States Veterans of overseas conflicts. To serve our veterans, the military and our communities. To advocate on behalf of all Veterans.

**Our Purpose:** Established in 1899, the Veterans of Foreign Wars is the nation's oldest and largest combat veterans' organization that supports millions of service members and their families – entirely for free.

**Who We Are:** Today, membership stands at more than 1.4 million members of the VFW and the VFW Auxiliary across the country. However, the VFW's reach extends far beyond its membership, auxiliary members and family members. VFW leaders are often leaders in their communities and are frequently utilized as military matter resources by local politicians and news outlets. Every day, men and women who have bravely defended our freedom continue to serve in ways outside of the military. The VFW highlights those veterans who are actively involved in their communities, helping others through the #StillServing campaign which is a way to showcase and honor their ongoing commitment. Read more about the campaign at [today.vfw.org](https://today.vfw.org).

The VFW has many programs and services that work to support veterans, service members and their families, as well as communities worldwide such as National Veteran Service, National Legislative Service, VFW Financial Assistance for Service Members grants, VFW's "Sport Clips Help A Hero Scholarship" program, and the Voice of Democracy and Patriot's Pen patriotic youth essay competitions. Read more about the VFW at [vfw.org](https://vfw.org).

The Department of West Virginia is a non-profit 501(c)(19) and our National VFW Foundation is a 501(c)(3). Donations to a 501(c)(19) are tax deductible in the same way that they are for a 501(c)(3), which gives you the option of donating directly to the Department of West Virginia or through our National VFW Foundation.

# VFW DEPARTMENT CONVENTION

The annual VFW Department Convention is attended annually by the many members of our organization to include veterans and their families. Additionally, community leaders, business owners and government officials within the state and nationally, and other noteworthy personalities have come to speak before our attendees. The VFW members, VFW Auxiliary members and their families represent a population that is patriotic, loyal, and enthusiastically supports the individuals and companies that support them.

There are many opportunities to engage members attending the VFW's Department Convention through sponsorship, marketing, and exhibitions. The convention presents your organization with the opportunity to reach thousands of members through static displays, group conversation, and town hall opportunities. Attendees include VFW leadership from all 55 counties around the state, who represent the VFW's extended network of VFW members, VFW Auxiliary members, and their family members.

By becoming a sponsor of the VFW Department of West Virginia, your business will be recognized by VFW and VFW Auxiliary members as a supporter of the nation's greatest heroes—our veterans.
